MGM MIRAGE recently recognized luxury realty group's agent Aaron Auxier as one of the top ten real estate agents selling CityCenter.

Las Vegas, NV (PRWeb) February 15, 2007 -- In January, the \$7 Billion MGM MIRAGE's CityCenter project recognized the top ten selling real estate brokerages and their agents selling CityCenter luxury condos and hotel condos. [Luxury Realty Group](#), a Las Vegas based real estate brokerage specializing in luxury homes and luxury high rise condos, and its agent Aaron Auxier were recognized in this top ten category.

Aaron Auxier specializes in luxury high rises at [Luxury Realty Group](#) and MGM MIRAGE CityCenter is currently one of his best selling luxury high rise projects. His passion about this ultra luxury project can often be found in his Blog articles at [LasVegasHighRiseBlog](#). "Demand for CityCenter has been very high," said Aaron Auxier. "My clients are very excited about owning a condo or hotel condo in what will become a luxury landmark in Las Vegas for a long time."

CityCenter is currently under construction and taking reservations for three of its luxury projects: [Vdara](#), [Veer](#) and [The Residences at Mandarin Oriental, Las Vegas](#). The fifty story Vdara is a luxury condo hotel. The thirty-seven story twin leaning towers of Veer are residential condos and [The Residences at Mandarin Oriental, Las Vegas](#) are ultra luxury residential condos.

"MGM MIRAGE's CityCenter is creating a new level of luxury condo and hotel condo living on the Strip in Las Vegas," said Bruce Hiatt, broker and co-owner of [Luxury Realty Group](#). "We are very proud of our agent Aaron Auxier who recognized along with us how large a role in luxury living CityCenter will play in Las Vegas. Aaron has achieved a significant milestone in sales at CityCenter and that's quite an achievement in this current real estate climate. It just continues to underscore in our minds how well the global buyers understand how great CityCenter is while many US buyers are still sitting on the fence."
