With Celebrity Approach - Luxury Real Estate Agent Aaron Auxier Receives Accolades

As the United States real estate market continues to adjust, REALTOR® Aaron Auxier of the Shapiro & Sher Group in Las Vegas has made a name for himself by standing out in a niche - protecting the best interests of luxury real estate buyers including celebrities, athletes, and CEOs. For that, he has received accolades.

“ While I'm humbled to have been recognized for achievements in the real estate industry, there is a much bigger cause that drives me ”

Las Vegas, NV ([PRWEB](#)) September 2, 2008 -- [Las Vegas luxury real estate](#) agent Aaron Auxier of the Shapiro & Sher Group grew up amongst the glitz and glamour of the entertainment industry in Los Angeles. He even worked in the industry, cultivating a long list of connections that he still works with today. Now, he stands with several years of experience and a reputation of walking the talk in the über trendy world of Las Vegas luxury.

Auxier, known to his entertainer and athlete contacts as "Hollywood's Connection to Vegas," was awarded as one of Las Vegas' top 10 rising stars of business by the Las Vegas Business Press because of his achievements in selling some of the Strip's most prominent high-rise penthouse condominiums. Equally impressive, MGM MIRAGE recognized Auxier as the top-dollar-selling agent at [The Harmon Hotel, Spa & Residences](#), a celebrity-favorite hotel and residential condo tower that's part of the approx. \$9.2-billion CityCenter mega-resort development on the Strip.

"While I'm humbled to have been recognized for achievements in the real estate industry, there is a much bigger cause that drives me," says Auxier. "I modeled my business to resemble that of a prolific sports or entertainment agent, I'm genuine to the cause of properly representing my clients."

Auxier is responsible for several cutting-edge websites and blogs that give prospective buyers information and tips on purchasing luxury properties. He says that the real estate industry has (in many ways) gone back to the 80's when it comes to client service, experience, and reputation.

As an example, his website [VegasCondoScene.com](#) is a VIP gateway to high-rise condo projects in Las Vegas. Auxier dishes on everything from the lifestyles found at individual towers to important features, amenities, and latest renderings. In addition to learning more about Aaron's connections and experience, readers can find several tips on how to protect themselves when purchasing luxury condominiums.

"The glitz and glamour of Vegas is very exciting, but it's important that people understand there's a right and wrong way to buying real estate here," Auxier explains. "I want everyone to know that they deserve proper representation and an ally on their side. That's why Shapiro & Sher Group and I are here."
